Supply List

- Dr. Usui, Dr. Hayashi, Mrs. Takata Photos 2x3" each
- 6-4x4 glass squares for wall hanging, 8 for coasters
- Silver tape
- 6 medium jewelry bails
- Jewelry chain 21"
- 6 jump rings
- 3-4x4 mat pads for wall hanging, 4 for coasters. This is for the back and you can use paper instead.
- Super glue
- E6000 glue

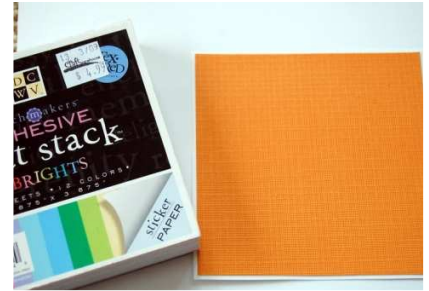

Directions

Print 2x3 photo and cut out a 4x4 square.

Sandwich the photo and the mat paper between two 4x4 glass squares, the photo facing the top and the colored mat paper facing the bottom.

Wrap the silver tape around the edges of all four sides.

Finished edge. The tape is fairly forgiving. I wrapped it around the corners and it laid down well.

Use super glue to secure edges if needed.

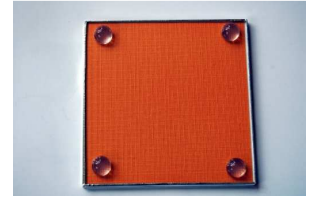

Use E6000 glue to secure the jewelry bails to the back.

Cut 7" of chain, place a jump ring on each end and secure the chain to the bail.

For coasters -
Affix the clear pads on the bottom.
